King Announces Candidacy

as chairman of the committee investigating the Bureau of Internal Revenue which cleaned up much abuse of public trust and corruption in government.
Fights Communism
"Because I believe Communism is the greatest threat our nation has ever faced, I have introduced H. R. 5941, a bill to outlaw the Communist Party in the United States, and shall diligently work for its passage in this session of Congress. In my opinion, the time has arrived when the Congress of the United States should act by labeling Communists and other subversives as criminals who would seek to destroy our country by force and violence."
"Questions of improved social security benefits, stronger national laws to eliminate the vicious narcotic traffic, and other safeguards for business and labor have all received my support and will continue to receive my attention."
"I have conscientiously endeavored to serve as a representa-

(tive in Washington to bring credit and distinction to our district. If I have achieved some measure of success, it has been with the guidance of the people of the district which I have always welcomed on all congressional matters. This has been a very gratifying partnership in public affairs."

Marine Leaves Hawaii After Training Period

Leaving the land of the perennial palm and the hula (Hawaii) after a six-month tour of training with the Third Amphibious Tractor Battalion is Marine Sgt. Francisco M. Madrigal of Torrance.
The battalion, quartered at the Marine Corps Air Station there during the training period, is returning to Camp Pendleton, Calif.
While in Hawaii, the amphibious unit took part in large scale maneuvers throughout the Hawaiian Islands in which close coordination between air and ground units was stressed.

Hi-Lives of Seaside

Open Houses Feature Of Seaside Holidays

By SUE BURK
FR 5-4549
It's a great big wonderful world we live in, or so the lyrics go. Anyway, giving witness to this fact are the many satisfied people who managed to live through the holiday madness. So many are happy with the presents they received at Christmas and the nice parties on New Year's Eve. Holding open house over the holidays were Mr. and Mrs. Bob Parke of Shattuck Lane. Open house to many close friends was held in the home of Mr. and Mrs. B. F. Renz of Zakon Rd. Turning a New Year's birthday party into an open house were Mr. and Mrs. Frank Burk, also of Zakon Rd. Helping to celebrate the birthday of Leon Jeff Poor (Sue's brother) were Mr. and Mrs. Jack S. Mitchell, Mr. and Mrs. Buz White, Mr. and Mrs. B. Frank Renz, Mrs. Richard Grierson, and Mrs. Leon Jeff Poor. Jimmy and Sue say they served one of the best holiday drinks ever . . . coffee, to go with the mountains of cookies prepared the evening before.
Surprise company in the home of Mr. and Mrs. Jay Sharp over the New Year is Mrs. Thelma Gallo from far off Narragansett Bay, R. I.
Still moping around with bad colds and flu are several close friends and neighbors. Best wishes for regained health go to Mrs. Merle Holstin, Mrs. Myrtis Nix, and Mrs. Louise Ansley. Mrs. Alpha Renz of Zakon has been abed with the flu since New Year's Day. Also, here is hoping that Mr. Bob Graham is improving after an operation undergone before the holidays.
Adding a few finishing touches to their home on Zakon Rd. were Mr. and Mrs. Bill McMullan. The McMullans have been renting their home here and plan to move back in about six months.
The Mothers March on Polio will be held Feb. 2 from 7 p.m. to 9 p.m. There is a need for a few more ladies to help in the Heights area. Can you and will you help to walk this one evening, so that little ones can walk for their lives? Call me at my home, 5104 Zakon Rd., or phone FRontier 5-4549; so that you may be placed on a street near your home, or your own street.
Local residents can call Mrs. Byron Johnson, FRontier 5-1839, to register to vote in the school bond election on March 9. Deadline for registration is Jan. 14.
Sorry to hear that Mr. Pat Patterson of Macaffee Rd. has the flu.
Mr. and Mrs. Roland White of the Heights spent the Christmas and New Year's holidays visiting with friends in Playa del Rey, Pasadena, and just about everywhere.
We see that Mrs. Grierson, Mrs. Nix, and Mrs. Leonard are learning a lot of new easy steps in sewing and a number of new ideas from their sewing class which meets every Monday evening.
The Philip Wilson family of Doris Way spent the holidays visiting friends and relatives in Oregon. Nice to see you back

... 3 Held

brothers held Patton while the other kicked him.
Two Los Angeles policemen, called by a neighbor, arrived on the scene and pursued the three brothers, apprehending two of them. The third brother returned to the scene later and was caught when someone in the crowd pointed him out.
Patton had three stitches taken in his mouth as a result of the beating, and both he and Coons were treated for numerous cuts and bruises.
The younger brother is being held in juvenile hall, Joyce said. From the Hooker car police recovered a mean-looking black-jack composed of metal bars, three-fourths of an inch long, attached to a handle with washers in between to make them flexible. The two adult Hookers are charged with two counts of assault with intent to do great bodily harm, a felony.
